

Rockbridge Hunt *NewsHound* April 8, 2016

1. Derby Day Hunter Pace. Saturday, May 7. Louise Golian and Hugh Brown are heading up our annual spring hunter pace for Saturday, May 7 at Hunt, Inc. They report that everything is going well for the event. We would appreciate everyone's support of this important fundraiser. You can help clear trails, volunteer, ride in the pace, tell friends, bring friends, and/or bring food. Please contact Louise or Hugh if you would like to help out in some way. And don't worry - we'll have you home in time to watch the Derby! Thank you!

2. Book Club / Reading Group. We had 12 people at our first book club meetings. And there are several additional folks who have expressed interest but couldn't attend. That's great! I know that not all of us will attend every meeting but that's a big enough group to keep going. The first book will be **The Irish RM** by Somerville and Ross. You can read a little about it and find links to download the text. <http://foxhuntinglibrary.blogspot.com/2016/04/book-club-choosing-first-book.html> We'll discuss **The Irish RM** at the next meeting -- 7:00 pm on Wednesday, May 4 at The Lodge. Everyone is welcome. We will try to meet somewhere else with air-conditioning in June. And in June we'll discuss our second book, **A Long Way to Go** by Marigold Armitage. It's only 200 pages and is fairly easy reading so we can probably share copies.

3. Annual Meeting. Wednesday, May 11 at 7:00 PM, Tex Tilson Lodge at The Hunt, Inc. Please save Wednesday, May 11 on your calendar for our Annual Meeting. We will be electing new officers for the year ahead, voting on the proposed budget for the 2016-17 year, and attending to other matters important to our organization. Members whose dues have been paid in full by the time of the meeting are eligible to vote. Each single hunting membership, each family membership, and each landowner membership has one vote. In order for the Hunt to conduct business, there must be a quorum at the meeting of 20 members physically present. Family and landowner memberships may have more than one member, and the numbers matter. *Please come!*

BONUS! Last year's pre-meeting lasagna dinner before the Annual Meeting was a huge success, so we've planned to do it again this year. We'll have dinner at 6:00 PM at the Tex Tilson Lodge. Please plan to come early and have dinner with your friends from the Hunt. We look forward to seeing you at the Annual Meeting and lasagna dinner!

4. Spring Reminders. As the spring events get under way, please take a few steps to make things easier for everyone. Event secretaries will love you. Be sure to check your Coggins. Is it out of date? Make a few extra copies of your Coggins -- make sure you can read everything, especially the accession number (usually in the upper right corner). Leaving a copy when you make your entries is the easy option for everyone. Consider printing out address labels to put on entry forms. If you're at all likely to be traveling with someone else, put together copies of all the paperwork for you and your horse. You might want to include a copy of your health insurance card and some emergency contact information. It shouldn't take up much room. Pack it with your helmet or some way that ensures you won't forget it. If you're filling out entry forms by hand, take your time and print clearly. Entry forms are long and tedious but we don't make it that way because we love paperwork! We really do need that information. Have patience! Be nice to the volunteers!

4. Capital Campaign for Tracking Collars. Hunting is over for the season, but we have lots of great memories of our adventures following the hounds this year. We also have some painful memories of several lost hounds. On one especially fast hunt this winter, our hounds ran right out of our territory, following a coyote that took them on a chase where we could not keep up. Hounds ended up in territory they didn't know, and David spent several days retrieving them. One good hound, Whisper, was killed when she was hit by a car.

We are fortunate to have great hounds who hunt well together and consistently come back to the fixture at the end of the day. And we have wonderful territory with friendly landowners and few major highways. But development is everywhere and road traffic is increasing. The growing coyote population has changed hunting, too, as hounds run farther and faster these days.

One way we can protect our hounds is to equip them with tracking collars, and we need to do it.

Tracking collars are expensive, costing about \$300 per unit, and we should have 20 collars. We also must purchase the actual controller unit, an external antenna and batteries. The total cost will be around \$6,000 – which is not in our already tight budget.

We hope to raise funding for the collars through donations from people who care about our pack and the sport of foxhunting. Ideally, we'd like to have the collars by August 1, since it will take time for our staff to learn the system and how to best use it in our territory. It is important to start using this tool to protect our hounds as soon as possible.

If you would like to help with the collar campaign, please send your donations to our treasurer, Louise Golian, 105 Rock Ridge Lane, Vesuvius VA 24483.

We're one of the last hunts in Virginia to acquire hunting collars. But it is time to do this for our hounds and our huntsman.

4. Sedgefield Cup 2016. Once again, our hounds represented us well at the annual Carolina Foxhound Performance Trail in Hoffman, North Carolina. There were 63 hounds entered from 13 different hunts. After two exciting days of hunting and fellowship with foxhunters from all over the country, the results from the weekend's competition were announced.

Rockbridge Opal 2014 (sponsored by Carol Lueder) was our ribbon winner on the first day. She placed 3rd in "Trailing," 5th in "Endurance," and was the 5th highest point winner of the day!

While Opal was our top-scoring hound on Saturday, Rockbridge Teasel 2012 (sponsored by Cynthia Secker) was our star performer on Sunday. Teasel picked up several ribbons for her efforts on Easter Sunday including: 3rd place in "Trailing," 5th place in "Full Cry," 5th place in "Endurance," and 5th place "Overall" out of nearly 60 hounds entered for the day! Rockbridge Outlaw 2014 (sponsored by Rebecca Tilson) also picked up a ribbon Sunday - 5th place in the "Hunting" category. Overall, Teasel's and Outlaw's scores combined to put the Rockbridge Hunt in third place out of 13 competing hunts for the second day.

When the overall results for the weekend were announced, Teasel, Outlaw, and Opal were all honored for their efforts. Opal was 8th overall in the "Trailing" category. Outlaw placed 6th in "Full Cry." Teasel was again our star and placed 5th in "Endurance," 8th in "Full Cry," and scored the 7th highest total score out of the 63 foxhounds originally entered in the event. That's quite something for the fairly recent mother of our last litter of puppies!

We should all be so proud of our hounds! They were champs chasing multiple gray foxes and coyotes over the course of the weekend. We should also be so proud of our Huntsman, David Conner, who bred, raised, and trained these hounds to be the hard-hunting foxhounds they are. I can't tell you how many times we heard members of other hunts talk in reverent tones about David's ability to produce hard working, deer-broke hounds that love their jobs and never give up. It was an honor for the Rockbridge team to be with David and the Rockbridge hounds at the Sedgefield Cup again this year.

5. Educational Bits – courtesy of the Education Committee. Hunting terminology: **Drive**

“**Drive** is a trait developed notably in modern foxhounds. It may be summed up as a predominating desire to reach the objective. The bloodhound, for instance, bred for centuries to very careful, slow work on a leash, is more interested in the line than in the quarry. The good foxhound is interested in the line primarily as a means of attaining the quarry. . . . the good foxhound, hearing the cry of his fellows ahead, will instantly leave the line to get forward to them. The best hound in his work is one whose qualities of nose and drive are well balanced.”
